

Tacugama Chimpanzee Sanctuary is looking for a

Volunteer Education intern

Tacugama Chimpanzee Sanctuary (TCS) has developed a well-established Education Department with an abundance of environmental education materials for school going children and community youth groups. TCS is now looking for a volunteer **Education Intern** to help improve the Education Department's teaching opportunities, and monitoring & evaluation systems to ensure all materials and interventions obtain the desired impact!

Main Roles & Responsibilities

- Assist in the development TCS' 3rd Roots & Shoots Manual, with a special focus on summarizing how participants can become Chimpanzee/Nature Ambassadors as they move forward with their lives and careers;
- Develop content for different education projects, from community conservation workshops, nature clubs, and classroom sessions;
- Help improve the monitoring and evaluation protocols for the various educational programs in Freetown and remote community areas;
- Help with teacher trainings and teacher monitoring classroom sessions, especially around the Western Area Peninsular;
- Assist with the development of educational opportunities and materials for the Sanctuary Tour;
- Help in the establishment and monitoring of compost sites and recycling areas at the Sanctuary.

Duration & Date

- 3 to 6 months
- Between August and September 2023

Minimum Qualifications:

- University degree in a related-field
- Strong interest in conservation
- Ability to work well in a team environment
- Ability to adapt to a challenging environment with limited resources
- Ability to undertake tasks outside of the scope of work when needed and necessary
- Ready to work long hours, especially in emergency situations
- Willingness to work and live in a forested camp with limited access to water, electricity and internet

This opportunity is perfect for someone looking to learn about real, hands-on (environmental) education in West Africa. The applicant should have a strong interest in working in Africa and promoting conservation. Applicants must be proactive, good communicators, have a passion for working with children, have a good understanding of the Microsoft Package and Google, and have an outstanding team-spirit.

We are looking forward to your application to join our diverse and exciting team!

Interested applications should send their CV and application to conservation@tacugama.com.
